

## Northeastern Section of the American Chemical Society

### *Grants-in-Aid to Undergraduates*

#### Information Page

**Purpose:** Grants-in-Aid of \$350 will be made to each of four undergraduates to enable them to attend the 241st ACS National Meeting in Anaheim, California (March 27-31, 2011) and present a paper at the Undergraduate Research Poster Session in the Division of Chemical Education.

**Eligibility:** Applications will be accepted from undergraduate students at colleges and universities within the Northeastern Section. The student must be a chemistry, biochemistry, chemical engineering, or molecular biology major in good standing with at least junior status, and must be currently engaged in undergraduate research.

**Application:** The complete application must include the following items:

- A copy of the application form filled out on line before being printed for the necessary signatures. *Hand-written applications will not be accepted.*
- The 150-word abstract you are prepared to submit to the ACS. Note: The deadline for electronic submission of abstracts to the ACS in Washington, D.C. is November 1, 2010 (11:59 pm EST)
- A two-page description of the research completed to date and planned for the next four months.
- Your current college transcript; it may be an unofficial photocopy.
- A letter of support, in a sealed envelope, from your faculty research supervisor.

**Signatures:** The following individuals must sign off on the application:

- **You** - you certify that if you are awarded a Grant-in-Aid, you will submit your abstract to the ACS, and will present your paper at the Undergraduate Research Poster Session at the ACS National Meeting in Anaheim, California.
- **Your faculty research supervisor** - s/he certifies that you are currently engaged in undergraduate research under her/his supervision, and that s/he supports your application.
- **The chairperson of your department** - s/he certifies that at least \$350 of institutional funds is committed for your travel to match the Grant-in-Aid.

**Deadline:** Completed applications must be *received* by October 15, 2010. Send all application materials to:

Professor Marietta Schwartz  
Department of Chemistry  
University of Massachusetts  
Boston 100 Morrissey Boulevard  
Boston, MA 02125-3393

Tel. 617.287.6146 Fax 617.287.6030 e-mail: [marietta.schwartz@umb.edu](mailto:marietta.schwartz@umb.edu)

**Notification and Payment:** Applicants will be notified by e-mail on **October 22, 2010**. Those awarded the Grants-in-Aid will receive payment from the Northeastern Section after the ACS meeting.

**DEADLINE FOR RECEIPT OF COMPLETED APPLICATION: **OCTOBER 15, 2010****
