

Fourth Annual  
***Advances In Chemical Sciences Symposium***

sponsored by  
**NESACS and RSC-US**

**Royal Sonesta Hotel, Cambridge, MA**

**9:00 a.m. April 9, 2010**

This all day scientific conference will focus on  
Medicinal Chemistry  
Organic Synthesis  
Methodology

Eminent scientists from industry and academia will deliver plenary lectures.  
Confirmed Lecturers include:

Viresh Rawal, University of Chicago

Daniel Kahne, Harvard University

Sarah O'Connor, MIT  
*Engineering and Understanding Alkaloid Biosynthesis*

Mark Flanagan, Pfizer  
*Discovery of tasocitinib (CP-690,550): A Potent and Selective JAK Inhibitor for the Treatment of Autoimmune Diseases and Renal Allograft Rejection*

Melissa Ashlock, NHGRI/TRND  
*Public Private Partnerships for Drug Development*

*Preliminary Announcement*

The symposium will be followed by a networking reception and vendor exhibition

**Symposium registration fee: \$ 50.00 or \$25 for Students**

Vendors please contact the Organizing Committee

**Attendance is Limited – Advanced Registration is REQUIRED**

Please send your full contact information along with your check for \$50 made payable to NESACS to  
Anna Singer, Administrative Secretary, NESACS 12 Corcoran Rd., Burlington, MA 01803 phone: 781-272-1966

For additional details, including sponsorship and exhibition opportunities contact any of the Organizing Committee:
