Directions

By Public Transportation: Take the MBTA Green Line E train (Heath Street) to Museum stop. From Huntington Avenue, walk north on Louis Prang Street (MFA on your right) to the Fenway. Simmons College will be on your left, just past the Isabella Stewart Gardner Museum. Total walking distance five blocks (0.16 mile).

By Car (but see parking advisory below):

From Mass Turnpike Exit 22: Stay left and follow signs marked "Prudential Center/West 9." Stay on Huntington Ave West approximately 1 mile. Pass Museum of Fine Arts on right, then turn right at next light on Louis Prang St. Continue through two lights. The main building of Simmons will be on left. Turn left on Avenue Louis Pasteur. Simmons's library is on left. Drop passengers off here. See parking information that follows.

From I-93 North or I-93 South: Take exit 26. Keep left on exit and follow signs for Storrow Drive West. Look for sign "Kenmore Square, Fenway, Route 1 South" and exit left, following sign for "Fenway 1 South." Do not take Kenmore Square exit. Stay right at light, following sign for "Boylston St Outbound, Riverway 1." Get in left lane and proceed to first light. Turn left onto Park Drive. Follow Park Drive to lights (gas station on right corner) and cross Boylston Street and Brook-line Avenue. Stay left. At next set

of lights, bear left following “Fenway” sign to reverse direction. At light, continue straight, crossing Brookline Avenue again. You will be on “The Fenway.” Turn right onto Avenue Louis Pasteur after Emmanuel College. The Simmons library is on left. Passengers may be dropped off here. After the library, take the first driveway on the left into the parking area.

Parking: Due to construction, on-campus parking is extremely limited. Please use public transportation if possible. If you need to drive, please contact Marilou Cashman (800-872-2054) at least one day in advance of the meeting. She will forward a list of guests who require parking to the Simmons Chemistry Dept.
