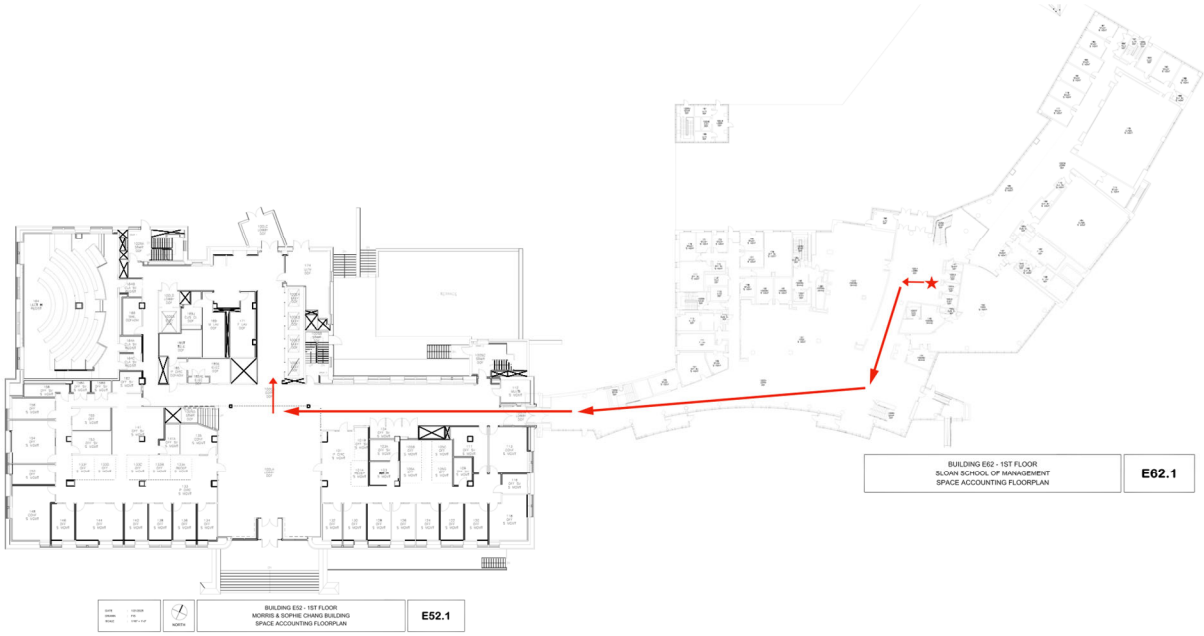
Parking in the Sloan Underground Garage and Directions to Samberg Conference Center in Bldg E52

The entrance to the Sloan Underground Garage can be accessed through a parking lot entrance at 100 Main Street, Cambridge, MA. If using GPS, this address should be used to locate the parking lot entrance. You must be traveling eastbound on Main Street (toward Boston) to access this entrance. A photo of the sign pointing to the entrance to the parking lot that will lead to the underground garage is shown here:

Once you turn right into the lot, the entrance to the underground lot is about 200 ft in front of you, at about 1 o'clock. Proceed down the ramp. Give your name to the attendant and tell him/her that you are attending the Richards Medal Award Reception and Dinner.

Take the elevator in the underground garage up to the first floor. You will be in Bldg E62. The elevator exit is shown as a star on diagram below. Walk to Bldg E52 via the indoor pathway as shown below on the first floor of Bldgs E62 and E52.



Take the elevators in Bldg E52 up to the 7th floor, where the Samberg Conference Center is located.
